Principal Crawford,

University Schools,

Toronto.

Dear Principal Crawford:

Many thanks for your letter. The School indeed has many generous friends and I will be most happy to go up some afternoon and help you to signalise the meeting for School Scholarships.

With kind regards, I am,

Yours sincerely,

President.

Professor H. J. Crawford,

University Schools.

Dear Professor Crawford:

Many thanks for the little book issued by the Department of Education for Empire Day. I am glad to know that so much of it is due to the staff of the Faculty of Education and University Schools. I suppose that some of it has been already outlined more or less in the regular issues of "The School". I congratulate you on having been able to accomplish this work.

Yours sincerely,

President.
